To work in a highly innovative and learning environment, this provide for carrier development and opportunities. And to impart back my knowledge and utilize my experience for development of society under all circumstances and multi-cultural environment

Education

- **2016-2021 : Department of Applied physical And Material Sciences ,University of Swat (UOS), kpk ,Pakistan**

BS in physics

Thesis Title: Advances in graphene based nanocomposites as a high capacity anode material for Lithium ion batteries.

- **Board of intermediate and secondary education swat**

(2013 - 2015)

FSc. (Pre-engineering):

Mathematics

Physics

Chemistry

Cumulative grade: A

- **Board of intermediate and secondary education swat**

(2012 - 2013)

SSC. (Science):

Mathematics

Physics

Chemistry

Biology

Cumulative grade: A

Courses and certificates

- **IT (Microsoft office)** course from skill development council.

Skills

- MS office
- Python programming
- C++
